1304 **AWDM/1668/19 22 Grafton gardens:** Side hip to gable to north elevation, rear dormer with Juliet balcony to east elevation and 2no front dormers to west elevation.

The Council objects to this application as it considers the front dormers do not relate sympathetically in design, form and scale to the existing building and to be out of character and scale with the neighbouring properties. It also considers the proposal is un-neighbourly, generating a level of activity prejudicial to the present character of the area and detrimental to the existing properties in the locality.

1305 **AWDM/1680/19 2 St Marys Close:** Single storey rear extension to south elevation.

The Council has no objection to this application
